The Two Johns, the policeman who led our e-safety event, have been expressing concern about this popular children's game. Parents have reported that strangers have been messaging children through the game.

Headlice

We have had a number of children with headlice, please ensure you check your child's hair.

Sickness

We have had a several cases of sickness around the school, please remind your child to wash their hands regularly throughout the school day.

Visitors to the School

I am thrilled at the excellent feedback we have had about St James' children, from several important visitors we have had from the Diocese and the Department of Education. Visitors have reported that our children are very polite, well-behaved, and hardworking; and of course their singing is amazing! We are so proud of the children at our school, they always shine!

Best wishes
